APPLICATION ENGINEER – Boston, MA

BARCLAY WATER MANAGEMENT, INC. For nearly a century Barclay Water Management, Inc. has been recognized as a leading provider of water treatment programs to protect water and steam heat exchangers and related piping systems. The company's Environmental Group develops custom water hygiene programs to minimize the risks associated with Legionella bacteria and other waterborne pathogens in building water systems. A closely controlled water treatment program is an essential element in every streamlined facility. We focus on providing clients with superior, cost-effective water treatment products and services, delivered by some of the most experienced and educated water treatment engineers.

We are currently looking for an Application Engineer for the Boston, MA area.

Responsibilities include:

- Travelling to customer sites to provide service and technical support to new and established accounts
- Document field service activities
- Conduct surveys and prepare proposals and bids
- Perform field water tests to monitor monochloramine generator performance
- Assist local Barclay field engineers with pre-installation survey of client domestic water piping systems
- Supervise installation of flow meters on domestic water supply lines to enable generators to proportionally feed monochloramine into potable water systems
- Conduct annual account reviews
- Identify potential new accounts

Qualifications include:

- B.S. in Engineering/Science or a related field
- A background in water treatment or plant operations, specifically boiler or HVAC operations is required
- Knowledge of potable water systems, plumbing and electrical is a plus
- Strong relationship management skills
- Excellent oral and written communication skills
- Valid driver's license with a good driving record
- Must be authorized to work in the United States

Barclay Water Management, Inc. offers an attractive base salary plus incentive commissions, company car and expenses, and an excellent benefits package which includes an ESOP (Employee Stock Ownership Plan).

Qualified candidates are encouraged to send a cover letter and resume to our Human Resources Department at careers@barclaywater.com or by Fax (617) 744-3450.
